Dear David and Ferris,

Thank you for allowing me to appoint you as co-chairs of our new PLUM Committee. Those who requested to serve on this committee are:

Thor Lee

Mike Malick

Jeff Luster

Carol Cassella

Wil Anabel

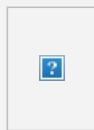

Until our bylaws are updated and approved, I would prefer not to have more than 8 voting Board members on any of our committees as it seems to me to defeat the purpose of having a committee J

Please let me know when you would like to schedule your first meeting and where. The location has to be open to the public per the Brown Act. Jim can assist in finding a location of Musicians Union is not available. Notice for your meeting must be posted 72 hours in advance of your meeting. Lisa, Jim (or me) can assist you with your agenda as there are standard Brown Act requirements.

Thanks again!

Hugs,  
Laurie
